

# MT-4308W

Item	Specification
<b>Tablet (MT-4308W)</b>	
CPU	Intel Cherry Trail Atom, 4C, 1.44 GHz up to 1.92 GHz
OS	Windows 10 IoT 64 bits
LCD	1280 x 800, 8" TFT LCD with LED backlight (default 1024 x 768 resolution)
Brightness	350 nits
Touch input	PCAP touch w/ multi-touch support
Memory	2GB DDR3L SDRAM
Storage	32GB eMMC
Wireless connectivity	WiFi 802.11abgn 2.4 GHz / 5.0 GHz dual band + BT v4.0 ; optional 3G
Camera	8MP AF rear facing camera
Speaker/Mic	Yes / Yes
Sensors	G sensor
I/O	micro-SD, micro-SIM, Power Jack, micro-USB
Buttons	Power
Battery	4800 mAh (minimum)
<b>Physical Dimension (Tablet Only)</b>	
Dimension (W x D x H in mm)	212 x 16.8 x 157
Weight (N.W. in g)	550
<b>Dock Station (Optional,DS-210)</b>	
USB port	3 x USB 2.0
LAN port	GigaLAN x 1
COM port	2 x DB9
CR port	1
Built-in printer	3" WIFI thermal printer (200 mm/sec) (DS-210/DS-310)
Tablet charging	YES
<b>Accessorie (Optional)</b>	
MSR(TA-220)	3T MSR reader
RFID (TA-220)	Support MIFARE
Pistol Grip (PG-200)	Swappable battery module (5000 mAh) & optional 1D or 2D barcode scanner
Hand strap	Hand Strap for MT-4008A/H
Scanner	1D or 2D barcode scanner embedded in Pistol Grip
Shoulder strap + 2 battery option (TA-500)	Swappable battery module (5000 mAh)

## The Best Companion for Mobile Retailing and Hospitality

# MT-4308W

## Ergonomic and Versatile Mobile POS

MT-4308W is specifically designed for both retail and hospitality applications.

The retail-ready 8" mobile POS runs on the latest Intel Cherry Trail processor, and supports MSR/RFID attachment, 2D barcode scanner attachment with pistol grip, and an optional dock station to convert the device into a full-fledged, stationary POS.

### Retail-ready

The latest Windows based mobile POS MT-4308W is proven to be retail-ready with a Corning Gorilla Glass touchscreen display to ensure its durability and improved drop resistance.

### Ergonomic Design

The detachable pistol grip (PG-200) for MT-4308W is a truly ingenious invention. It houses a 1D or 2D barcode scanner in the pistol grip shape handle, which is ergonomically designed to take the strain out of operator's hand and arm, and enabling the user to easily carry and handle the tablet. It smartly solves the cumbersome issue of larger mobile devices.

### Extra Protection

Hand strap that comes with the hospitality package prevents the tablet from dropping on the ground accidentally and eases the user's fatigue during the hours of work.

### Versatile Function

Another highlight of MT-4308W is the optional dock station, which has a 3" WIFI thermal POS receipt printer built-in, and connectivity options such as Serial ports, USB ports, LAN port and CR port. Once the tablet is integrated with its dock station, an all-in-one POS is instantly at your disposal. The MT-4308W offers more than just mobility but versatility.

### Long Hour Operation

MT-4308W is designed with advanced power saving technology that provides long battery life for daily operation. However, for store owners who require even longer battery life for more intensive usage, the pistol grip also houses a removable battery that can vastly extend the overall operating time.
